

Support / Disconnect Selection Guide

Selections are based on fuse diameter

Fuse Size	Ferrule Diameter
B	1 9/16 (1.56) inches
C	2 inches
D	3 inches
DD	two - 3" fuses in parallel

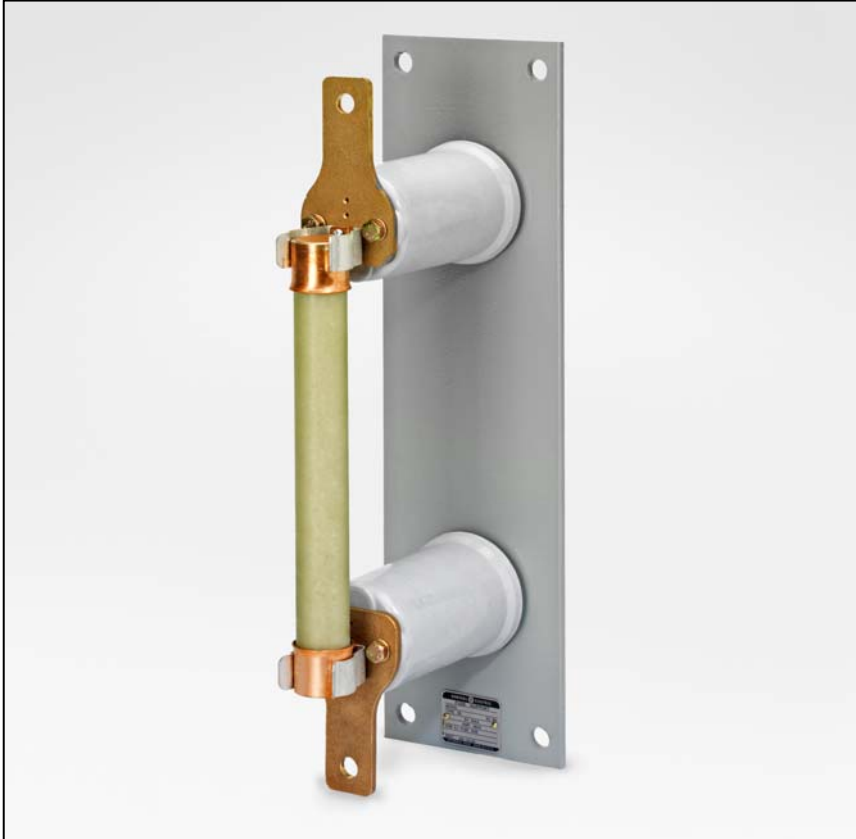

Selections are broken down into supports [EK(O)-1] and disconnects [EK(O)-3]

Once on the correct page, choose the holder based on fuse clip centers and voltage rating.
